Read the story and answer the questions.

Choose **A, B** or **C**

**Find Happiness**

A teacher gives a balloon to every student in the school. Every student

must blow up the balloon and write their name on it. Then the teacher says: 'Now throw your balloon into the hallway'. The teacher then mixes all the balloons.

There are a lot of balloons. The teacher tells the students that they have five minutes to find their own balloon.

Everybody looks for the balloon with their own name but no one finds their balloon. After five minutes the teacher stops the students.

Then, the teacher tells the students to take the first balloon that they find and give it to the person whose name is on

the balloon. In only four minutes, everyone has their own balloon.

The teacher says: "These balloons are like happiness. We will never find it if everyone is looking for their own. But if we care about other people's happiness, we'll find ours too."

21 She asks the students to write their \_\_\_\_\_ name on the balloon.
